**SEASON OVERVIEW: MILESTONES, ACCOMPLISHMENTS, CHALLENGES**

<i>Mohawk has added extensive snowmaking in addition to a new annex for Ski Patrol to free up our main building for patient treatment and operations. Our computer system has a new operating system to handle all the mountain statistics and operations.</i>
--

**STATISTICS**

<i>We have added two new Alpine Patrollers to our 89 patrol members. Mohawk opened on December 2nd and closed on March 10 th . A total of 86 days. We record under 200 incidents for the season.</i>
--

**FUTURE CHALLENGES AND PLANS**

<i>We will continue to actively recruit new patrollers as our present members are “aging out”. Work with present patrollers to achieve the Senior Patroller rank . Work with Area Management to help the new computer system work to its full capacity and benefit the mountain and its employees and patrons.</i>
