The NSP Associate Membership

About The Associate Membership

The Associate membership option is available for individuals who want to be “friends” of the National Ski Patrol. Many of these individuals are interested in taking National Ski Patrol courses. Please note that courses are offered through patrols and a small number of affiliate organizations, not through the national office. Individuals interested in taking a course as a visitor or joining a patrol should contact the patrol to learn more about their course offerings and patrol guidelines. Contact information is available under the About Us section of the website.

The associate membership fee is \$60.00 per year. Associate members are non-voting.
