SEASON OVERVIEW: MILESTONES, ACCOMPLISHMENTS, CHALLENGES

Mountain events such as Yeti Day and Annual Fireman Race were able to be resumed after Covid. All of the kids weekend programs were also in full operation. Mountain Operations was able to put down copious amounts of snow despite the weather. We were not able to open at 100% due to weather.

STATISTICS

We were OPEN 100 Days! "First to open, Last to Close!!!" Opened November 26th Closed April 2nd. We had approximately 200 incidents, none of a serious nature. Patrol numbers 92 Patrol and 2 candidates just needing OEC to finish. 4 patrollers were added this year with 3 retiring to alumni. We have several people starting OEC this August.

FUTURE CHALLENGES AND PLANS

The area will be working very heavily in infrastructure this year. Snowmaking will be improved as well as improvements to existing structures.
