

# Housatonic Section Chief Report

## CT Region Officers Meeting

**April 24, 2025**

I attended the Eastern Division Spring Officers Meeting, May 3-5, 2024.

A synopsis of the ARD/Section Chiefs meeting was sent to the Patrol Directors of Mohawk, Ski Sundown, Winding Trails & Lakeridge.

Once I received the official General Session meeting minutes from the Division Secretary, these too were sent to the Patrol Directors of the previously mentioned patrols.

If re-elected for a second 2 year term, I will attend this years Spring Officers Meeting, May 2-4 as well as attend the ARD/Section Chief meeting, Friday evening. At this meeting I hope to be able to discuss with other members their plans for Patroller/Mountain Host retention and the effect it will have on their patrol's financial stability due to the increase in NSP dues.

Respectfully submitted,
