

Are you interested in Patrolling year round?? Powder Ridge Patrol has an opportunity for you!!!!

Continue using your OEC skills during our Summer Patrol Operations and stay active within the NSP system while Mountain Biking and Hiking while on duty. You can stay Primary at your current area and be added as a secondary with **NO** winter commitment, unless that is something your are interested in. Our summer season operations runs from the beginning of May to the end of November. During the summer the area offers mountain biking, zip lines, water slides, and disc golf and more. You do not need to mountain bike to be apart of our summer patrol operations. We are generally open Wednesdays-Sundays 9:00am-7:30pm. If you are certified in Outdoor First Care (OFC) you may also qualified to be apart of our summer Ranger program.

Positions are volunteer with the opportunity of paid positions
